

## TOURIST TIMBER RAFTING TRIPS

Timber rafting season lasts from 01.05. to 31.10.2017

We offer an unforgettable adventure on a traditional timber raft that, in a pleasant atmosphere and with the help of experienced raftsmen, will take you to Lent, which was also once a large river port for timber rafts and characteristic local barges called šajks. The happy mood onboard will be contributed to by the Splavarski trio (Rafter's Trio) with their Slovene music and they will also enrich your experience onboard with a Rafter's Baptism of one of the guests.

The program also includes a presentation of river Drava timber rafting in past times, a rafter's snack, drinks according to the "all you can drink" system and a tasting of traditional rafter's coffee, which is brewed onboard in the raft's kitchen just as it was in days of old.

The trip takes approximately 1 hour and 15 minutes to Lent, where the raft will dock close to the Old Vine; or on request also from the Old Vine back to the bay of Koblarjev zaliv.

Because the timber raft travels with the natural flow of the river, in the event of a rapid river flow a stop will be made to adjust to the current.

The rafting organisers reserve the right to fill up the raft with guests via on-line website campaigns and other ticket allotments.
